

## Ivan Smagin Dmitrievich

Location: Kazakhstan

Email: isgin01@gmail.com

GitHub: <https://github.com/isgin01>

Experience: 1 year or so

## About Me

A full-stack developer with an associate's degree in progress. Looking for a stable position, ready to contribute all the time I have. My hobbies: programming, books, mathematics, languages. I'm originally from Russia but relocated to Kazakhstan a few years ago and now want to move to either the Americas or Europe. I want to acquire more experience in software engineering and become a senior developer.

## Experience

cape4labs – Full-Stack Developer (Contract)

April 2025 – Present

- Co-developed frontend built with Next.js, backend with FastAPI, and a Proof of Contribution program for a DataDAO system
